ALL SPORTS, INCLUDING ORIENTEERING HAVE RISKS

On behalf of myself, or as the guardian of the minor(s) listed above, I acknowledge and fully understand that orienteering is an activity where I will travel by foot or other means in areas that may contain harsh terrain or aggressive wildlife, and I will be exposed to the elements. The inherent risks include but are not limited to:

- Bodily injuries due to landscape terrain which could result in sprains, cuts, abrasions, dislocations, breaks, impalements, contusions; From colliding with trees, rocks, fences, ruins, man-made objects or from falling down slopes, gullies, ditches, pits, depressions
- unstable or violent weather- rain, sleet, hail, snow which may cause unstable surfaces/footing, hypothermia
- encounters with aggressive wildlife- bears, coyotes, elk, deer, snakes which could result in injury
- excessive hot/humid weather which may cause heat stroke, heat exhaustion, disorientation (thereby getting lost on the map)
- remoteness of the location with poor communication ability and inability to get rescue/medical aid assistance easily or quickly
- any injury that may result could be critical, even deadly, and result in reduced mobility, loss of income etc.

I AGREE TO BE RESPONSIBLE FOR MYSELF OR FOR THE MINOR(S) LISTED ABOVE
