

BRITISH COLUMBIA ORIENTEERING CHAMPS 2024

Weekend of September 7 & 8, 2024

LOCATION

Camp Thunderbird (45-50 minutes west of Victoria on Hwy 14) is the site of the BCOC Medium and Long courses. The map area is within the Sooke Wilderness region and is a challenging forest with partly open rocky terrain on the elevated sections.

The University of Victoria campus (20 minutes NW of downtown Victoria) will be the site of the BCOC Sprint Course. The campus is beautifully designed with numerous walking, biking trails and areas with preservation of natural features among challenging building architectures. Mostly flat running.

Both areas have been professionally re-mapped this spring and we look forward to having you run with us on our new maps.
